Bundy News

By Marty Bundy

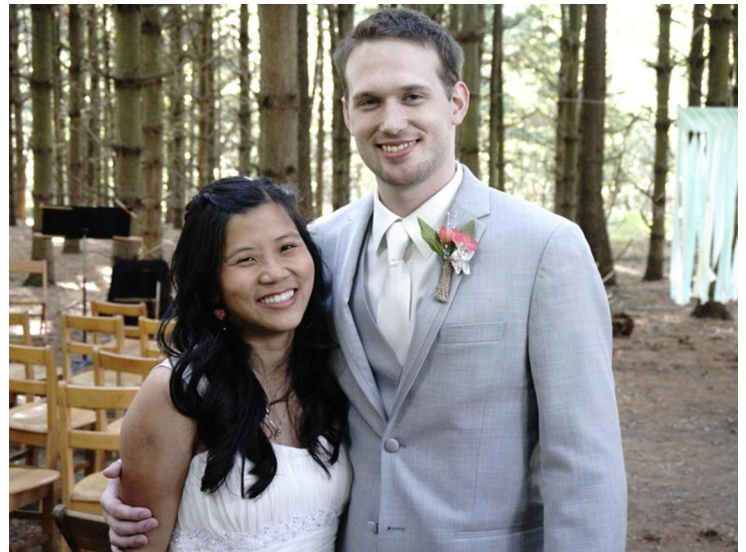

In May Joel graduated with a nursing degree from Cedarville University. This summer he passed the test to get his license and is now employed with The Ohio State University at Ohio State University Hospital East.

James was selected to be promoted to Staff Sergeant, E-6. For all you civilians this means he is looking forward to officially receiving this new title and higher rank in April. Congratulations James (and Becca)!

During the wedding weekend our family along with Joyce's family from Malaysia had great fun participating in Chinese Malaysian and American traditions. Here is our growing family minus Hailey who was napping in the cabin!

Jonathan and Joyce were married on September 20 at Pleasant Hills Outdoor Camp. Their beautiful ceremony took place in a pine forest. We are happy for them as they begin their new life together in Lakewood, Ohio.

Memories

Big Don Nicolls in the Fall of 1945 in his Ohio State uniform. Could he have ever dreamed that OSU would win a national championship with a third string quarterback? He did name one of his sons "Dale". Can you say Car"Dale" Jones?!

John "Crazy Legs" Lewis at Baker University circa Fall of 1952. Cheri Lewis says "I think he looks a lot like PJ who is now also playing football. I've been back to Baker in the last 2 years and the football stadium is about the same."

Can You Find Yourself On Grandma's Wall?
