Dear Don,

Just a short letter to let you know that I'll be coming into Columbus on Saturday afternoon. I hope I'll catch the 1:30 bus here and get into Columbus at 5PM. So I should be out to your 'adobe hacienda' about 5:30. If you have other things planned, don't wait around for me. If you have nothing planned and can spare the time, I'll treat you to a movie in the evening.

I want to get up about five on Sat. and shoot a round of golf early before catching the bus. Have a set of new McEregor clubs.

Have been working as usual. Ugly thing. Reading some, watching TV, and not much else.

Hope everyone gets down for the reception. I'll see you on Saturday and until then -

Be good to yourself.

Your brother,
Bob
