afraid to tackle "Sammy" so  
she played a Irish jig. I could

I'm better, today. I must feel  
in the very depths of "gloom"  
Sunday 29 at Stanyard's the  
house, two whole days. I did take  
the milk tonight, tho. We had no  
church today. I came there  
painting the church.

I'm perfectly well today. I'm  
so glad, for we had a lot of  
fun. We cleaned up  
Monday 30 one of the seldom-used rooms  
and then I had to bring  
the girls over to my place to  
wash up, and he gave us a  
quarter to treat ourselves.  
We bought him a quarter's  
worth of candy, and gave it  
to him. But he don't eat it.

Tuesday 31 I played this morn.  
I'll bet the kids wouldn't  
I was nearly surprised out of my  
shoes when I got a letter. A  
great big one from George Liddle.  
It's at the D. S. U. at Columbus,  
trying to get in the student  
army training corp. I also got  
a letter from Bessie. I went to  
town tonight, got a photo.

Friday 31 Margaret & I went to town  
to buy 13 lbs. of peanuts. We had a  
lively draw. The fair was  
a wonderful success. We had a  
fine crowd. I don't know yet how  
much we made, but I made 1.80  
on just selling 54 quizes of the  
weight. I sold 4 quizes. I came  
home with me & Carl. and it was  
10:12 when we got in the house. I  
was sorta' angry. so I was!

Saturday 1 I got to go to work today. I was so  
glad to get back again. I worked  
hard all day and was awarded  
with a quarter raise and so  
making 1.50 in all. We got  
at 10:15 tonight on account of the

till 10:15 on account of the cars

being so crowded, I got the letter  
from George, the surveyor, with some  
interesting letters. I went to Church  
& was too late to be in the choir. I like  
it in the audience. Mr. Jones  
is back for another year. I went to S.  
then up to the Presbyterian church to a  
talk by Mr. Cooper for the 4th Liberty  
School. It was a wonderful talk. We  
surely can thrill you. I have come  
home with me, and pleaded for  
a week's vacation for the boys  
to be with them. I do want  
Monday 30

But Mother will not  
allow me to go with him. Bourse, General.  
I told him that was just

decent boys. All well & studied

DECEMBER, 1913

I read "The Little Shepherd of  
Kingdom Come" for the  
Sunday 7 second time. It left me in  
a confused state of mind. I don't  
just like the ending. I saw it,  
this P.M. He is working at McCormick  
in structures. Sometimes I believe  
what the girls tell me. That he is  
OK well! I can't help it.

Monday 8

Tues. O. This has been a

Got one from George. He stands

sweater for Mother. This she picked  
a lot. I had a talk with Miss Weston  
I wonder if she wants me as nurse.  
As she lets on she does. Mine is  
getting better. I guess I went to

packages all afternoon.

Wednesday 10

Thurs. We went down to  
Grandpa's today. While down  
the all the whistles began  
to blow and we soon heard  
that the war

was over!!!!!!!

DECEMBER, 1913

But I can't believe it! O, I  
it's true! It's too good to be  
Thursday 11 true. The paper tonight said  
it was true. Everyone in town  
was going crazy. They say they  
out on the street whooping and  
yelling. Bright workmen gathered  
for a bunch and we all went out  
Friday 12 and yelled + made all this  
noise we could to celebrate.  
It's down in my heart I couldn't  
feel it was true. Alas Christ has  
gone! I think that

is true. Fri. went to Red Cross  
heard that the wonderful  
news was not true. I will take

Saturday 13 the paper said it was an error.  
I do hope the boys get to Berlin  
before the war closes. She end  
gets us to be near at hand. This  
sets us hope so! I got a letter  
from Pega. I do love to read  
her letters. She brought me  
going to have a surprise tonight  
but when they heard  
the news was not true they  
decided not to have it. Sat.  
Mother went to town. I remained a little.  
I started a sleeveless sweater for  
Mother tonight.

Imps. tonight and there

Sunday 18

It is reported now that the old  
Kaiser has abdicated. I wonder  
if he has. Let's hope so. I went  
up this P.M. This been out in  
Illinois since August. At 4 A.M.

this morning all the whistles  
Monday 18 began to blow again.  
and at 20 to 9 all the bells around  
town started. It was in the fore  
Fri. night that the news of the  
signing of the armistice would  
come early morn. noon. so  
I hope that's what we heard.  
I hope the people won't be
